BMDCC Senior Assistant Coach – WA Premier Cricket

BMDCC is seeking a Senior Assistant Coach for the 2021/22 Season. This purpose of this role is to support the Club Coach in developing a high-performance environment to develop team and individual performance in line with the Club's objectives.

Key Responsibilities

- Support the head coach in developing training plans, both for pre- season and during the season.
- Attendance at all training sessions and warm-ups on game day to lead activities (being present for the entire day is not an expectation)
- Plan and lead training activities
- Responsible, in conjunction with the head coach, for the skills and development of senior players.

Knowledge & Skills

- Experience playing and/or coaching at Senior Premier Cricket level
- Proven high level communication skills and commitment to ensure excellent teamwork, behaviour and ensure objectives can be translated into meaningful plans and tactics
- Be able to provide mentoring and support to senior players
- Exposure to contemporary coaching techniques
- Lead activities independently of the Club Coach but within the agreed coaching plans

Role Requirements

Mandatory	Desirable
Level 1 Coaching Accreditation	Level 2 Coaching Accreditation
Attendance at pre-season and training on Tuesday and Thursday's during the season	Experience in a senior and/or assistant coaching position at Premier Cricket level
Warm-ups on game day	Take on role as Colts Coach

Payment for coaching services will be negotiated with the successful applicant.

To express your interest in the role please email president@baysiebears.com.au with a brief cricketing CV. If you have any questions about the role please contact Ben Williams (Senior Coach) on 0409 116 256 in the first instance.
